MySQL • Figma • Python

TECHNOLOGY

Django • Google Colab

FAMILIAR

Windows • Github • VS Studio • Android
Studio

HOBBIES

- Drawing/Sketching
- Web design

LANGUAGES

• English • Hindi (Native)

EXPERIENCE

GEEKSFORGEEKS

Nov 2023 - Present | Noida

- Sharing programming knowledge and writing articles on advanced concepts of **Python(Django)**, **HTML**, **CSS**, **DSA**, etc.
- Published more than **15+ articles** on the advanced topic of **Django Python**. till now published 50+ article on GeeksforGeeks. **CERTIFICATE**

PROJECTS

GEEKSFORGEEKS 2.0 || INDIVIDUAL PROJECT

Technology used/tools - Python, Django, HTML, CSS

- Built a Complete GeeksforGeeks website by adding and contributing new features to increase the user experience.
- I have added the **Chatbot**, **CGPA calculator**, **Resume Builder app**, **Beginner Roadmap**, and some more advanced features,
- The main motive behind this project was to provide an **Edtech Solution** to GeeksforGeeks.
- Source code: **LIVE-DEMO**

DJANGO RESUME UPLOADER || INDIVIDUAL PROJECT

Technology used/tools - Django, HTML, CSS, Python

- In this project, I created a form to create resumes for job applications in **HTML**.
- To achieve these operations, I designed a dedicated table that facilitates data manipulation using **Jinja** templates in **HTML**.
- Through this project, I comprehensively understood how to perform basic backend functionality in **Django**.
- Source code : **LIVE-DEMO**

PORTFOLIO WEBSITE | PERSONAL PROJECT

Technology used/tools - React.js, HTML, CSS, Js

- Developed a **personal portfolio website**, increased programming skills to the next level, and discovered the potential of Web development (**HTML**, **CSS**, **Js**, **Django**).
- Source code : **LIVE DEMO**

ACHIEVEMENTS

- Achieved 2nd Position in GeeksforGeeks Edtech Solution Hackathon.
- Achieved **2-star** coder status on **CodeChef** through active participation in over **15 contests**.
- Consistently ranked in the **top 50 percent** and participated more than 40+ Live contests on **LeetCode**.
- Published more than **50 articles** on **GeeksforGeeks** covering various **technologies** and topics.

CERTIFICATIONS

- Introduction to Self Driving Cars, Coursera | 3 Month Course
- Covid-19 Contact Tracking, Coursera | 3 Month Course
- Fast-track Communication Internship, IDIGITALPRENUER | 1 Week **ALL CERTIFICATES**
